This policy ensures clarity in the ownership and usage of IP for both PHEOWL LTD and our clients.

Ownership of Intellectual Property

All intellectual property created, developed, or produced by PHEOWL LTD in the course of providing our services, including architectural designs, creative works, production content, and engineering plans, is the exclusive property of PHEOWL LTD, unless otherwise agreed in writing. This includes but is not limited to:

- **Designs and Visual Works:** Architectural, graphic, or multimedia designs created for the user.

Use of Intellectual Property by Users

Upon completion and payment for a project, PHEOWL LTD grants users a limited, non-exclusive, non-transferable license to use the intellectual property deliverables as intended in the context of the agreement. This license allows the user to:

- Use the final deliverables for the specific purpose stated in the agreement.
- Display and distribute the deliverables within their business or organization, subject to the terms of the license.

The user may not:

- Modify, alter, or create derivative works from the intellectual property without written consent from PHEOWL LTD.

PHEOWL LTD retains ownership of its trademarks, service marks, and logos, including the PHEOWL LTD name and logo. No rights to use any of these marks are granted to users, except as necessary to fulfill the purpose of the agreement or unless otherwise agreed in writing.

Third-Party Intellectual Property

In cases where third-party intellectual property is used in the deliverables (e.g., stock images, software libraries, fonts, etc.), the user acknowledges that PHEOWL LTD is not the owner of such IP. PHEOWL LTD will ensure that the user is granted the necessary rights or licenses to use these third-party materials as part of the final deliverables. However, PHEOWL LTD is not responsible for any issues related to the use of third-party IP that is beyond the scope of the project.

Protection of Intellectual Property

PHEOWL LTD is committed to safeguarding the intellectual property created or owned by the company. This includes using appropriate legal measures to protect designs, software, trademarks, and other creative works. Users are prohibited from infringing on PHEOWL LTD's intellectual property and will be held liable for any unauthorized use or reproduction of PHEOWL LTD's IP.

Confidentiality

Users are required to maintain the confidentiality of any proprietary or confidential information provided by PHEOWL LTD, including design drafts, creative works, and engineering plans, before the final delivery of the project. Such materials remain the intellectual property of PHEOWL LTD and should not be disclosed to third parties without explicit consent.
